**In Collaboration with the City of Dover, Dover Days Festival Committee
Cancels the 2020 Dover Days Festival**

Dover Days Festival Committee starting plans for the 2021 Festival

DOVER, Del. (March 20, 2020) – The Dover Days Festival has enjoyed 87 years of tradition during the first weekend of May celebrating Dover and the First State. Given the COVID 19 situation, the Center for Disease Control has advised all public events beyond 50 people be cancelled for the next eight weeks. As a result, the Dover Days Festival Committee, along with the City of Dover, has decided to cancel the 87th Annual Dover Days Festival event this year to aid in the mitigating of the exposure. All vendors and sponsors will be issued a full refund.

The Dover Days Festival Committee is already beginning to plan the 88th Annual Dover Days Festival, scheduled for May 1, 2021. The committee looks forward to creating a first-class event with the support of its vendors, sponsors, volunteers, and entertainers that have made the annual festival a truly great experience.
